LABOR AND GENERAL INFORMATION

Labor Requirements

There is a minimum 1.5 hours total Labor Charge for install and dismantle. CEI does not control the event schedule and cannot guarantee whether labor will be completed on straight or over time.

Additional Connections

For more than one machine or machines with multiple connections, order an additional connection for each machine or connection within 20 ft. of the outlets.

Outlet Distribution

Outlets are delivered to the rear of Inline and Peninsula Booth and to one location in Island Booths. Ramping or laying of lines under carpet or other flooring or spotting from the ceiling will be done on a time and material basis. Lift charges will apply for overhead drops or distribution.

Service Connections

All service connections are to be made by CEI Plumbers. Material charges may apply.

Air Line Responsibilities

CEI is not responsible for moisture, oil or water in air lines including water in our lines; or loss pressure or excess of pressure. CEI plumbing is the exclusive provider.

Additional Equipment

Exhibitors should supply their own filters, driers or other equipment as needed.

No compressors allowed other than those supplied by CEI unless they are a fixed part of your machine. Dedicated and 24 Hour service will be an additional charge at 50% of listed price.

Water Pressure

Pressure may vary; no guarantee can be made to minimum or maximum pressures. If pressure is critical the exhibitor should arrange to have a pressure regulator valve or pump installed. CEI is not responsible for sediment, color or taste of water. If waste water from your drain contains hazardous materials chemicals or metals, CEI cannot drain it

If required a quote for any Gas & Misc. Please call (909) 623-5182 or Email: info@conventionelectric.com
